

A market leader in roofing and steel

Acquired by Safal Group in 2005, Steel Supplies (Malawi) Limited is the premier supplier of roofing and allied products in Malawi, as well as being the largest producer of flat steel products.

Safintra brands include Mkango-Plus , Colorplus (pre painted roofing sheets with Zinca base), Versatile (pre-painted tile roofing sheets) and Lifestyle (pre painted, stone coated tile roofing sheets).

Safintra Malawi has the widest range of roofing and steel products in the country. These include IBR, Widedek, Versatile, Romantile, corrugated sheets, deformed bars and cut and bend of rebars, bull nose cranking, roll top ridges and all roofing accessories such as ridges, closures and flashings, as well as different types of structural steel and allied steel products

Lifestyle is the latest product to be launched – a premium range roofing profile that combines the look of tiles with the strength of steel. Lifestyle is a stone

Economy: Malawi is a small landlocked country in south east Africa. It is 118,000 square kilometres and is flanked by Lake Malawi to the west and Tanzania to the north. Trade is routed through two ports in Mozambique. Malawi has witnessed positive economic trends in recent years and is poised for significant growth. It has a liberalised economy, which has followed fiscal and monetary disciplines to provide economic stability. The Gross Domestic Product (GDP) of Malawi has shown a consistent 7%+ growth over the last three years. Due to the global economic crisis, as well as political and forex issues, a slower growth rate is expected in 2011 and 2012
